Death By Chocolate is Rotary's major fundraising event of the year. Through the generous donations of our major sponsors Lakeview Inn & Suites, Gallason Industrial Cleaning Services Inc., Servus Credit Union, Smith Insurance, and J-Mac Constracting and silent auction donations from local businesses, Rotary would not be able to continue our support of local youth leadership, community groups and our current international project of raising funds for wheelchairs for people in Belize.

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32,000 clubs in more than 200 countries and geographical areas. Rotary is most well known for its goal to eradicate polio world wide. Here in Fort Saskatchewan Rotary is all about giving back to the community and supporting leadership in our youth. Meetings are held every Tuesday at noon at the Maple Tree Grill, guests are always welcome.
